Press Release

Date: 3/18/2020

In order to provide additional safeguards for both Citizens and Officers, the Bixby Police Department is implementing the following reporting practices for certain non-emergency report calls.

- Walk-in Reporting will be temporarily suspended until further notice.
- Fingerprinting services will be temporarily suspended ended until further notice.
- For non-emergency report calls officers will handle taking a report in the following way:
 - Citizens will **call into** dispatch as normal.
 - An officer **will call back** and take the necessary information.
 - The Officer **will give the citizen** a Bixby Police Report Number prior to the ending of the call.
 - The officer will **direct the citizen to use the online reporting form** at the following link on the Bixby police Department website.
 - Go to the [Bixby Police Website](#) and go to [File the Online Report](#).
 - The citizen **will submit** their written statement and any evidence they can electronically by this means.

Please be assured:

- ✓ **Officers will continue responding to all emergency calls for service.**
- ✓ **Officers will continue responding to all alarm calls.**
- ✓ **Officers will continue responding to all accidents.**

We hope to resume operations as normal as soon as possible.
